NOTICE OF PROPOSED RULE MAKING

Adopted: January 28, 1998

Released: February 6, 1998

Comment Date: March 30, 1998
Reply Comment Date: April 14, 1998

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Live Oak Broadcasting ("petitioner"), requesting the allotment of Channel 265A to Three Rivers, Texas, as the community's second local FM service.¹ Petitioner states it will apply for Channel 265A, if allotted to Three Rivers.

2. We believe petitioner's proposal warrants consideration since it could provide Three Rivers² with an additional local service. Channel 265A can be allotted to Three Rivers in compliance with the Commission's minimum distance separation requirements with a site restriction of 4.2 kilometers (2.6 miles) southeast in order to avoid a short-spacing conflict with the site specified in Station KONO-FM's construction permit for Channel 266C1 at

¹ Petitioner originally filed a petition for rule making requesting the allotment of Channel 265A to Three Rivers on September 20, 1996. However, at that time we returned the petition for rule making by letter dated November 6, 1996, because of a short-spacing conflict. In response to our letter, petitioner filed a petition for reinstatement. In light of our action herein, we need not address the issues raised in the petition for reinstatement and that petition is hereby dismissed.

² According to 1990 U.S. Census, Three Rivers is an incorporated community with a population of 1,889 persons.

Helotes, Texas.³

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Three Rivers, Texas	233C2	233C2, 265A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before March 30, 1998, and reply comments on or before April 14, 1998, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, DC 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

(Counsel for petitioner)

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.
